

KSI Home Learning  
Autumn 1

Imagine that you are an explorer that has just discovered a new island. Create a map of your island. (Y2 draw and label three imaginary plants or animals that you have found there?)

Create a timeline of your life. Add interesting things that have happened in your life. You could find some photographs or draw pictures to add to your timeline.

Research a famous explorer and write some facts about them.

Write some sentences about an adventure that you have been on.  
Where did you go? What did you do? Who did you go with?

Exciting Explorers

Please complete at least 6 of the activities. Bring in your Home Learning book weekly to share your activities with the class/ teacher.

Imagine that you discover a new planet. Create a piece of art which shows what your new planet looks like. Don't forget to give it a name!

Use 2D shapes to draw a space ship. Label the shapes you have used. Write a sentence about how many side each shape has.

Compare two different flowers or plants. Explain what is the same and what is different.

Forest School  
Become a leaf explorer and see how many different leaves you can collect in your garden or on a walk.  
Find out the names of the trees that the leaves came from.
