Summer Term 1

Explore the flags of Africa. What common colours do you see on lots of them?

Choose your favourite to draw and label with the country it belongs to.

Use Google Earth or a World Atlas to locate the continent of Africa.

Where is it positioned on our planet?

How far is Farington from Kenya?

Explore the art of the African artist Edward Tingatinga.

Choose an African animal and create a Tingatinga style piece of art.

Research the country of Kenya and write a fact file about it.

You might include:

Capital city

Any rivers or mountains

Which other countries it is next to?

African Adventure

Please complete at least 5 of the activities. Bring in your Home Learning book weekly to share your activities with the class/teacher.

Any completed pieces of learning can be emailed to:

jrodgers@leverhouse.net

Compare the weather in Kenya with the weather in Leyland. Create a weather chart for a week recording the weather and the temperatures in both places - remember to think about what the weather symbols look like for each weather type.

Create a model of a traditional African village house (mud hut).

Learn to count to 5 in Swahili. Record yourself saying the numbers.

Forest School

Go for a walk to explore around your local area. What can you see? Write a paragraph to describe what is growing, the weather, length of days and what people may be wearing.
