

## Year 4 Mental Maths - Summer 1

As a guide, between 5-10 minutes should be spent 3-4 times per week on each objective.

Week 1	Learn 7 and 8 times table
	Use TT Rock Stars or write them down - listen to the songs (link on Showbie) (Download the White Rose 1 minute maths app)
Week 2	Number bonds to 1 using decimal numbers
	$1 = 0.5 + 0.5$ $1 = 0.35 + 0.65$
Week 3	Learn 9 and 11 times table
	Use TT Rock Stars or write them down - listen to the songs (link on Showbie) (Download the White Rose 1 minute maths app)
Week 4	Convert simple fractions into decimals
	$1/4 = 0.25$ $1/10 = 0.1$ $4/10 = 0.4$ $3/4 = 0.75$
Week 5	Learn 6 and 12 times table
	Use TT Rock Stars or write them down - listen to the songs (link on Showbie) (Download the White Rose 1 minute maths app)
