

Please complete at least 6 of the activities. Bring in your Home Learning weekly to share your activities with the class/teacher.

Go into your local supermarket and make a list of all the fair-trade products they sell. You could take photos on your iPad and create a pic collage of your findings.

Research how chocolate is made (from bean to bar) You could create a stop motion video, showing the journey.

Create an information leaflet all about Fair-trade and why it is important. Don't forget to use fronted adverbials and subordinate clauses in your

Write an acrostic poem about Fair-trade. For each letter, write about something related to this topic.

Fair-trade

Maple, Oak & Pine
Home Learning
Summer Term 2

Practice your spelling patterns and rules and complete your mental maths.

Design a quiz all about Fair-trade food. For example: Where do bananas come from?

Make a cake/ smoothie (or another recipe of your choice) using only Fair-trade products. Can you film a video tutorial of your recipe? Or just take photographs of your finished product, with your method written down.

You can send home learning to:
aroberts@leverhouse.net,
rmullarkey@leverhouse.net,
aaspin@leverhouse.net or
leccles@leverhouse.net

Research and write ten top facts about Fair-trade foods. Create a poster or video to show your findings.

Design a new logo for Fairtrade, compare and contrast it to the current one. Create a persuasive letter to Fair-trade asking them to consider using your new logo instead.

Read your home readers, bug club and library books frequently.
READING = CLEVERNESS
