

Maths Home Learning Year 4 - Autumn 1

As a guide, between 5-10 minutes should be spent 3-4 times per week on each objective.

Week 1	Read and write numbers to 10,000
	43,575 =Forty three thousand, five hundred and seventy five
Week 2	Use number lines and recognise the pattern
	0, ?, 400, 600, ? 200, 250, ?, 300, 350, ?
Week 3	Order a set of numbers to at least 10,000 including amounts and money
	Put the following numbers in ascending order 1. 53,756 53,765 54,675 45,987 2. £3.45 £3.54 £3.60 £3.06
Week 4	Recall addition and subtraction facts for 100
	$34 + ? = 100$ $? + 65 = 100$ $100 - 27 =$
Week 5	Recall multiplication facts $2x$, $3x$, $5x$, $6x$ and $10x$
	Use TT Rockstars, Hit the button (https://www.topmarks.co.uk/maths-games/hit-the-button) or write them down
Week 6	Recall multiplication facts $4x$, $6x$, $8x$, $9x$ and $9x$
	Use TT Rockstars, Hit the button (https://www.topmarks.co.uk/maths-games/hit-the-button) or write them down
