Learning
beyond the
classroom...
for a brighter
future

Our Forest School Areas

Two dedicated Forest School areas where children explore, imagine and connect with nature.

Weekly Forest School for EYFS & KS1

All EYFS and KS1 children enjoy weekly Forest School sessions, building confidence, independence and a love of the outdoors.

Termly Outdoor Forest School Days (KS2)

KS2 children take part in termly outdoor Forest School themed days, developing skills, teamwork and resilience.

Whole School Orienteering

Working together, children explore the school grounds and beyond, using maps, compass skills and problem solving.

Our Forest School Curriculum

A unique curriculum that blends nature, adventure, wellbeing and learning, across all year groups.

Curiosity

Resilience

Independence

Together

Big Birdwatching

We look for, identify and learn about the amazing birds that visit our school and local environment.

Making Soup on the Camping Fire

We harvest our home-grown produce and cook delicious soups on the campfire.

Poly Tunnel

We grow our own fruit and veg in our poly tunnel, learning about healthy eating, sustainability and the food journey.

Year 4 Residential – Hothersall Lodge

Year 4 enjoy an exciting residential experience, trying new activities, building confidence and making memories.

Year 6 Residential – Tower Wood

Year 6 experience an unforgettable residential, challenging themselves, working as a team and growing independence.

ECO Warriors

Our ECO Warriors care for our environment, leading projects, making changes and inspiring others.

Nature gives us the space
to be ourselves

Small steps...
Big adventures...
