Lever House Primary School

Autumn	Understanding the World	Strand: The Natural World	Classes: Ash and Beech

What I should already know:

- I wear my coat when it is cold outside.
- It can feel cold outside
- It can feel warm outside

Hibernating hedgehog

Sticky Knowledge:

Leaves begin to fall off the trees in Autumn.

Some leaves turn yellow, orange, red and brown.

It starts to feel colder outside.

Some animals like hedgehogs hibernate during Autumn.

Key Vocabulary:

Autumn: a season that is between summer and winter.

Hibernate: to stay somewhere and keep safe during the winter.

Leaf: the flat part of a plant that is attached to the stem.

What I will be able to answer (Learning Questions):

- What colour leaves can I see during Autumn?
- What happens to the leaves during Autumn?
- What does Autumn look like?
- What does Autumn feel like?
- How do animals behave during Autumn?
